- Good Communication
- Problem-Solving
- Adaptability
- Empathy and Emotional Intelligence

## Language

Spanish

English

## Experiences

### 2019 - 2024

Lulosoft LLC | Remote USA position

#### JavaScript Developer

Successfully leveraged my expertise in the Vue.js JavaScript framework to drive impactful projects. Proficient in HTML and CSS development, I consistently delivered high-quality, visually appealing web solutions. My role also involved spearheading the testing process, ensuring the reliability and performance of applications. Specializing in Vue.js component development, I contributed to the creation of modular and scalable front-end solutions. Effective communication skills in English have enabled seamless collaboration in agile tasks, where I actively participated in dynamic and cross-functional teams, consistently meeting project milestones.

### 2017 - 2019

ITERIA SAS | Cali, Colombia

#### Software Analyst

Proficient in building software applications over RPGAS400 with DB2 database, contributing to the Convivencia SIAS-Afilmed project at COOMEVA Corp. Successfully executed data analysis and information quality processes utilizing Pentaho BI Suite, MSSQL server, Oracle, and IBM/DB2 databases. Specialized in developing JAVA EE and Hibernate-based software solutions for Coomeva Corp. Demonstrates a strong aptitude for diverse technologies and a commitment to delivering high-quality results.

### 2017 - 2017

LAE | Cali, Colombia

#### Mobile Developer

Experienced Mobile Applications Developer specializing in Android. Proficient in RESTFUL API development using NODEJS programming language. Accomplished in software requirements analysis and actively contributed to SCRUM methodologies, demonstrating a strong commitment to delivering innovative and high-quality mobile solutions.
